

Program Summary Sheet

Student Name: Little John

Program Name: Number Identification

Program Objective: Little John will identify the numbers 0-10.

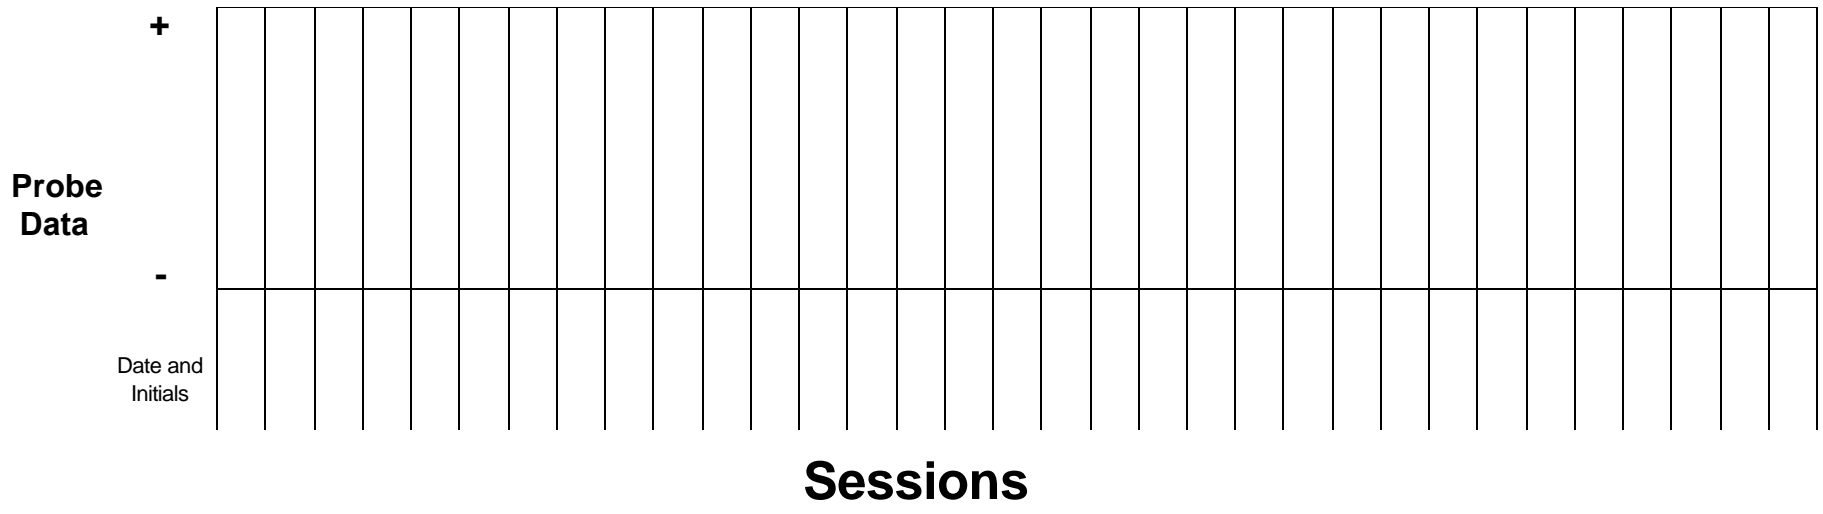

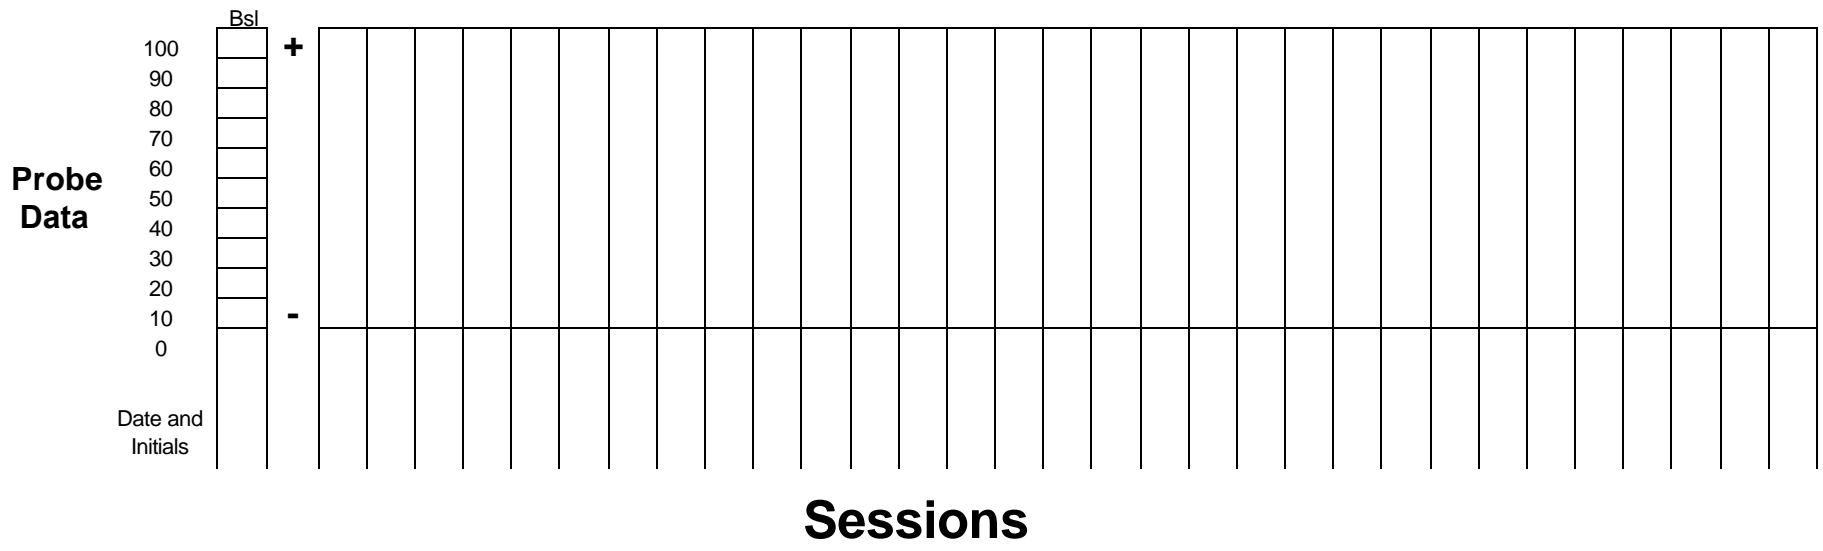

Procedure:

Establish attending behavior. Present Little John with the target number (as per step) and say the S^D. Little John should respond within 2 seconds of hearing the S^D. He must correctly identify the target number in order for the response to be recorded as a plus (+). Reinforce correct responses. Prompt incorrect responses.

S^D: "Show me (number)", "Point to (number)", "Touch (number)", "Where is (number)."

Criteria for Mastery: 2 pluses (+) for 2 consecutive sessions across 1 instructor.
